JUVENILE PROBATION REPORT

Name: JUAN MARTIN GARCIA
DOB: 02/18/80 (Verified)
Court Date: 01/19/95

SUPPLEMENT: (See attached Court Report)

EVALUATIVE SUMMARY:

This is Juan's eleventh referral and third petitioned offense. He last appeared in court on April 18, 1994, charged with Terroristic Threat. He was found to have engaged in delinquent conduct, was committed to the Texas Youth Commission (Suspended), and placed in the custody of the Chief Juvenile Probation Officer. He was placed, for a second time, at the Burnett-Bayland Home (BBH). On July 05, 1994, Juan absconded, while on a home visit. He remained at large until being detained for the current offense.

Juan first appeared in court on August 24, 1993 for Theft, Criminal Trespass and Terroristic Threat, and was found to have engaged in delinquent conduct, committed to TYC (suspended) and placed in the custody of the Chief Juvenile Probation Officer. Juan was placed at the Burnett-Bayland Home on August 25, 1994. On January 31, 1994, a runaway report was filed by BBH staff as Juan had failed to return from a home visit. On March 24, 1994, an Order of Immediate Custody was issued. This order was executed on March 30, 1994, when the juvenile was located at his mother's home and taken into custody.

Juan was previously approved for an Informal Adjustment Contract for the offenses which eventually led to his adjudication. However, he was terminated from that program in May of 1993 for failing to comply with program expectations. He was next scheduled to appear in court on June 21, 1993, but failed to do so. A Writ of Attachment was issued and was executed on July 13, 1993.

Prior to his involvement with this Department, Juan was exhibiting problems at home and at school. He was chronically truant from school, and was disruptive when he was in attendance. He was rebellious of his mother's authority and she reported that he was verbally abusive and, at one time, had attempted to hit her.

Juan denies drug and alcohol use, though he has a history of the latter. He previously admitted to being a member of the "4th Ward for Life" gang, but now denies gang involvement. Juan professes not to understand why he is in detention, as he claims that he was "doing alright" before he was apprehended. He states that he left BBH this time, and the last, because he had done his six months and they refused to release him.

Juan's mother reports that Juan called her frequently, following his elopement. However, she maintains that he never informed her as to where he was staying.

PRESENT REFERRAL:

Garcia, Juan Martin

Page 2

Referred By: Houston Police Department

Nature of Offense/Date: Violation of Probation: Curfew Violation/01/04/95 - The vehicle in which Juan was a passenger was stopped for running a red light. Officers observed that there was no key in the ignition and the steering column was broken. A marijuana cigarette was found, in on the front seat of the vehicle. Respondent was taken into custody on a curfew violation

Co-Respondents: None

DISPOSITIONAL ALTERNATIVES:

Texas Youth Commission - This is an appropriate and available alternative. "The "SOS Team administration feels that this juvenile's needs cannot be met through the SOS Team Program."

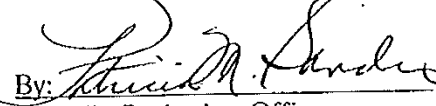

Custody to the Chief Juvenile Probation Officer - Juan has been rejected for placement by the county institutions due to the following; previous placement failures; poor school history; and, the need for a more secure environment.

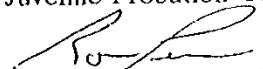

Custody to the Mother - Although the mother expresses a willingness to assume custody of her son, she has been unable to provide adequate supervision in the past, and it is unlikely that she will be able to do so in the future.

Custody to the Father - The father's whereabouts is unknown.

EVALUATIVE SUMMARY:

This is Juan's 8th referral to this Department. He last appeared in court on August 24, 1993 for Theft, Criminal Trespass and Terroristic Threat, and was found to have engaged in delinquent conduct, committed to TYC (suspended) and placed in the custody of the Chief Juvenile Probation Officer. He was rebellious of his mother's authority and she reported that he was verbally abusive and, at one time, had attempted to hit her. The mother presently reports that she has noted an improvement in Juan's behavior, characterizing him as respectful and cooperative. At the same time, the mother denies that Juan has been staying with her since being AWOL from BBH, asserting that her observations are based on his behavior while he was on home visits from BBH.

Juan denies drug and alcohol use, though he has a history of the latter. He admits to being a member of the "4th Ward for Life" gang.

PRESENT REFERRAL:

Referred By: Pasadena Police

Nature of Offense/Date: Terroristic Threat; Violation of Probation/03/30/94 - Juan allegedly appeared on the campus of Gregory/Lincoln Education Center and threatened the complainant, a student, telling him that he was going to shoot him.

Co-Respondents: None

DETENTION: Juan was taken into custody and placed in Diversion on 03/30/94; he was formally detained on 04/04/94.

DISPOSITIONAL ALTERNATIVES:

Custody to the Chief Juvenile Probation Officer for Placement - Juan has been accepted for return to the Burnett-Bayland Home. Continued placement is believed to be in his best interest.

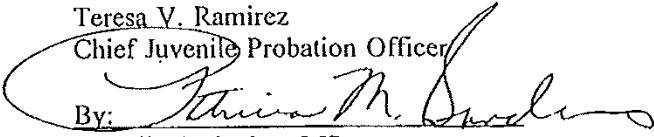

Texas Youth Commission - This is a viable alternative.

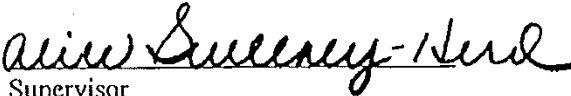

Custody to the Mother - It is not likely that the mother is able to provide the degree of supervision and guidance which Juan presently requires.

Custody to the Father - The father's whereabouts is unknown.

INFORMAL ADJUSTMENT - RETURN TO COURT SUMMARY - JFR

JH: 164721 JUV: GARCIA, JUAN DATE: 5/7/93 JPD: P. GOINS

Case returned for Court action due to subsequent referral - Burglary of a Habitat (BURHAB). Juvenile was apprehended and placed in detention on 5/2/93.

Juvenile referred to Informal Adjustment for alleged offense of IPTURI by District Attorney on a non-prosecution basis. Probation officer Quiñones conducted Initial Assessment interview on 1/13/93 with mother and juvenile. Problems reported were as follows: 1) Juvenile reported 1st and 3rd grades for fighting. 2) Juvenile brought and ships classes. 3) Juvenile is disrespectful to authority figures and has negative behavior problems. 4) Mother reports juvenile smokes cigarettes and drinks. 5) Mother reported juvenile having negative peers. 6) Family involved with CPS on a sexual abuse charge by older daughter, age 14, allegation step father. 7) Daughter has been in foster care for one year and step father in jail for offense. Probation officer contacted CPS caseworker, Debra Moss and she reported family was offered counseling and did not follow through and that case is still active. 8) Juvenile does not read or write. Contact was signed by juvenile, mother and probation officer regarding rules that needed to be followed.

Juvenile was enrolled in alleged Operation Kick It and Peer Pressure Workshop but he has not. Juvenile was also assigned counseling. Mother began counseling with therapist, LaDae. Juvenile refused to attend. Probation officer Quiñones staffed case with therapist, LaDae concerning the alleged previous sexual assault which was declined. Therapist reported she would deal with issue and make determination if it is warranted to make referral to the Sexual Offender Counseling Program upon her assessment at next scheduled counseling session.

Case was transferred to probation officer Soler on 1/3/93. While on Informal Adjustment an expulsion hearing was held due to juvenile having a gun on campus. (On charges filed). Juvenile was to be placed at Harper Alternative School and was scheduled for a meeting with Harper School officials on 1/29/93 but refused to go. According to mother, behavior at home has remained the same. Mother basically has no control over juvenile, as he comes and goes as he pleases; occasionally staying out all night. Mother reportedly called the police on juvenile in 4/93 due to juvenile threatening her and younger sibling; juvenile also broke some items and the police were in the home; no charges were filed. In addition to the (2) subsequent offenses that were included with Informal Adjustment Initial Assessment (the conviction and a trespassing charge).

GARCIA, JUAN
 J# 164731
 RETURN TO COURT SUMMARY
 PAGE 2

Mother has been somewhat cooperative with this Department. She has met with therapist twice. However, due to her inability to control juvenile, probation officer Goins discussed the possibility of her signing an affidavit; didn't make a commitment as she fluctuated between agreeing and refusal. Case was staffed with Supervisor, Linda Crocker and Administrator, Beth Perez, who advised to continue attempting to work with family. Probation officer Goins made a home visit as juvenile refused to come to office. Juvenile was then advised of possibility of case returning to Court due to non compliance. Juvenile agreed to comply and meet with therapist. However, failed to attend two (2) subsequent appointments scheduled by therapist. Juvenile allegedly had left home both times. Juvenile finally met with therapist and probation officer Goins on 5/3/93, after a month of attempting to get him to come in.

Probation officer Goins recommended juvenile be detained due to mother being unable to control juvenile and he is not doing anything except whatever he wants. It is felt family could benefit from counseling and long-term supervision appears warranted.
